

WINES BY THE GLASS

ENOMATIC FEATURED WINES BY THE GLASS

At The Stanley Hotel we have taken the dilemma out of choosing the perfect wine by offering a special selection of wines preserved by our Enomatic wine preservation system. The machine prevents the wine from oxidization by using Argon gas, which is activated when a new bottle is installed in the machine. The Stanley Hotel believes in giving you the option of tasting these selected wines to better educate and reward you for a complete dining experience.

ICONIC AUSTRALIAN WINES

HENSCHKE

Hill of Grace is a single historic vineyard located in the Eden Valley of South Australia. The century-old Shiraz vines were planted around the 1860s by an ancestor, Nicolaus Stanitzki. This 100% pre-phylloxera Shiraz vineyard lies opposite an old Lutheran Church, built of local stone, which was euphoniously named Gnadenberg, meaning 'Hill of Grace'.
